# CARRIER PORTABLE HEAT PUMP

Give your work place the right atmosphere

51QPD012

## CARRIER PORTABLE HEATPUMP

- \* Elegant compact design with a stylish look. Easy to move from room to room
- \* All year application as it can be used for both cooling & heating
- \* With the "Follow Me" sensor built into the remote control, the unit will automatically change the operation mode to supply comfortable temperature just like the air conditioner is following you
- \* No drainage required in cooling. The slinger up fan swashes condensate water on to condenser and evaporates. This also improves the cooling power and cooling efficiency
- \* Uses standard 10 Amps plug

When you purchase a Carrier Portable Heatpump 51QPD012, you have the satisfaction of knowing you've purchased a quality product as they carry a 1 year parts and labour warranty
